

Cornerstone is a domestic abuse shelter located in Bloomington, MN. Their mission is to prevent domestic abuse. They provide children and adults a continuum of services that builds sustainable self-reliance and revives the human spirit. They educate, advocate and lead the way to social change.

MAASFEP is fortunate to support the Emergency Shelter at the Spring 2012 conference. The emergency shelter is designed with family living spaces. Each unit has two bedrooms, a kitchenette with dining area, small sitting room and bath. Below is a list of items that they would like our support with. Information about Cornerstone can be found at cornerstonemn.org
